

A few weeks ago, the Bet Ha'am staff realized that we had an opportunity to thank the congregation for working so hard during the pandemic. Bet Ha'am has a licensed kitchen; Chris Skidgel, generally known as our facilities manager, is a licensed food safety manager who was a chef and restaurant owner in the past. Chris has the talent of taking a handful of vegetables to create a delicious soup.

Therefore, with the support of Rabbi Saks and the board, and with the help vegetables donated by Alan Cardinal and a seed donation from Jeremy Moser, we are pleased to present

### **STONE SOUP**

Each Friday, we would like to give our congregants a Shabbat gift of soup. Please stop by the building on **Friday between 10:00 a.m. and 1:00 p.m.** to pick up a container (or two, if you have a family) of frozen vegetable soup for your Shabbat table.

The soup will be in a cooler in the courtyard and is available first-come, first-served. If you would like a volunteer to pick up the soup for you, please contact the office by noon on Wednesday and we will try to find someone to help. The soup is vegetarian and kosher-style.

If you don't know the story of stone soup, please look it up! We'd love to know if anyone knows a different version—maybe the one involving buttons?
