

Mark Stone, Board Member

Mark Stone is returning to serve on the Bet Ha'am Board after previously serving for two prior three-year terms, plus one year as Treasurer.

Mark and his wife Deb joined Bet Ha'am upon their arrival in Maine in 2003 from New York City. Their two children, Mollie and Ben, became b'nai mitzvah through Bet Ha'am's religious school. Mark and Deb live in South Portland.

Mark has a background in both finance and technology. He founded Mission Critical Email LLC, which provides email hosting and professional services which he runs to this day.

He looks forward to bringing his finance, analytical and relationship-building skills to help the Bet Ha'am community.
